A MESSAGE FROM YOUR FAVOURITE LOCAL LIQUOR STORE

If you can't find your favourite USA products, we apologize for any inconvenience!

Due to current provincial measures, the import and retail sale of US-made liquor has been halted in BC, which means some of your favourite American products may no longer be available once existing BC Liquor Distribution Branch inventory has sold through.

But don't worry, we're here to help!

If you're looking for an alternative to a US product, please stop by and chat with one of our friendly Liquor Department team members. We'd be happy to help you find a great Canadian or local alternative. We might even help you discover your new favourite!

At Village Grocer, Love Local is more than just a motto – it's something we're proud to support every day. We're proud to offer one of the largest selections of local products in the Shuswap, including an incredible variety of BC-made wines, beers, ciders, spirits and other local favourites.

So if your go-to US product is no longer available, let us help you find something new to love!

From the entire team at Village Grocer, thank you for supporting local, shopping local, and helping us keep our community strong.

Help us keep alcohol, liquor, tobacco and lottery tickets out of the hands of minors!

We wish to inform our customers that you will be asked for two pieces of age appropriate identification by our cashiers if you wish to purchase alcohol, tobacco or lottery tickets, regardless of your age. In order to protect our minors, staff and our business, we must follow this procedure. We realize many of you are long term older customers but you will be asked as well.
We thank you in advance for your patience and understanding - James Inglis, President.
