BCGEU STRIKE INFORMATION

To Our Valued Customers:

Due to the ongoing BCGEU strike, all liquor products distributed through the provincial warehouses are currently impacted. This means our scheduled delivery timelines are uncertain, and some items may be temporarily unavailable.

We kindly ask customers to be mindful of over-buying, so that everyone in our community has fair access to the products they need.

In the meantime, we are actively sourcing *local BC VQA wines* and *local craft beers* from alternative suppliers to help keep our shelves stocked during the strike.

Additionally, we are unable to offer our case lot deal & special events order discounts until the strike is resolved.

We appreciate your patience and understanding, and apologize for any inconvenience this may cause.

-Ashley Jager
Liquor Manager

RESPONSE TO THE US TARIFFS

The BC Liquor Distribution Branch (LDB) supports the provincial and federal government decisions and actions in response to the U.S. tariffs announced on February 1, 2025.

Following the Government of B.C.'s directive, effective immediately, the LDB has halted the generation of import purchase orders of U.S.-made liquor products manufactured in Republican states and is taking the following actions: On-hand inventory of the top five selling brands, specifically their products manufactured in U.S. states governed by Republican leadership, will be put on hold and unavailable for ordering by wholesale and hospitality customers. This includes products under the brands of Jack Daniels, Bacardi Rum, Titos Vodka, Jim Beam, and Bulleit Bourbon.

On-hand inventory of all other U.S.-made liquor products from states governed by Republican leadership will continue to be made available to wholesale and hospitality customers until inventory is depleted (including inventory in third-party warehouses).

U.S.-made liquor products from states not governed by Republican leadership will be unaffected by this action at this time and will continue to be imported and sold by the LDB.

Thank you for understanding the need to support a united front in response to the U.S. tariffs.

Help us keep alcohol, liquor, tobacco and lottery tickets out of the hands of minors!

In order to protect our minors, staff and our business, we must follow this procedure. We realize many of you are long term older customers but you will be asked as well.

We thank you in advance for your patience and understanding - James Inglis, President.
